## COORDINATED SURGERY INSTRUCTIONS

Please keep in mind, that although Dr. Huether will be removing your skin cancer, a separate surgeon will be closing or repairing the wound.

Because this surgeon may be using sedation, or general anesthesia, it is important that you follow **THEIR** pre-operative instructions regarding eating, drinking, providing transportation, medications, vitamins, and dietary supplements over our own.

You will want to make sure to arrange a ride to and from our office, as well as the coordinated physician's office, due to bandages that may impair your mobility or vision.

Due to space limitations in our waiting room, we request that you bring only one companion on the day of surgery.

If you have any questions or concerns regarding your surgery, please don't hesitate to call us at 520-887-3333.

Thank you,

Arizona Skin Cancer Surgery Center, P.C.
